BOWLTECH[®]

GS® PARTS

Bowltech GS® Parts are high-quality parts specifically designed for the GS® pinspotter series GS-10, 92, 96, 98 and GSX. With years of experience in the bowling industry, Bowltech knows like no other which GS® Parts are highly exposed to wear and tear and which parts are less exposed.

Based on this knowledge, Bowltech composed a whole new product line of replacement parts. By creating an extraordinary large stock of GS® Parts in our warehouses we can assure not only fast delivery but also competitive pricing to all of our customers!

Money back guarantee

If you are not satisfied with the purchased parts, please return the product(s) within 30 days and a full refund will be made.

GS®CARPET SHORT PIT

- Easy installation
- Resistant to cleaners and conditioners
- Form-retaining, does not stretch
- Extremely durable

CARPET SHORT PIT

This transport band, also called 'Carpet Belt' is made from high-quality materials which makes it extremely durable. The transport band is composed out of 4 layers ensuring absolute fastness and is maintenance-free.
