The Strikeforce High Performance Slide Pad and Heel System gives bowlers options for increased slide and grip

For your perfect match, determine the lane approach condition and your bowling style and consult the chart below to select the slide pad and heel combination that will give you the exact slide amount you need.

Slide Pad / Heel	#2 Brown Suede	#4 Black Suede	#6 Perforated White Microfiber	#8 White Microfiber	#10 Grey Felt
#2 Black Shark Tooth	4	6	8	10	12
#5 Graduated Rubber	7	9	11	13	15
#7 Black Leather	9	11	13	15	17

* Note the higher number equates to more slide and the lower number equates to more brake
