**Thank You!
Onwards and Upwards.**

Introduction

Here we stand once again, presenting an even more magnificent portfolio than the year that preceded it. It's been another year of remarkable growth, and a substantial part of this expansion can be attributed to you, our valued customers and partners.

The Bowltech Group is truly grateful for each one of you, and we extend our heartfelt appreciation for your trust and enduring friendship. We're also excited to welcome those who are choosing to go on a journey with us, as we set the foundation for strong and trustworthy future relationships.

Contained within this brochure, you will discover a showcase of our installations throughout the year 2023. This booklet, classified in **New Centers** and **Modernisation**, serves as both a reflection on our work and an inspiring resource for those seeking new ideas.

Beyond our gratitude, we are especially pleased to see your commitment to keep the bowling industry thriving energetic and make it ready for the future.

As we stand on the threshold of a new year, we eagerly anticipate the continuation of our friendships, partnerships, and the many opportunities that await us in 2024 and beyond.

Thank you for your support, your trust. We have accomplished great things, and together, we'll continue to shape a bright and promising future in bowling.

To many more years of shared success, ONWARDS and UPWARDS!
