MOPPING TABLET

Fizzion Mopping Tablet is an all-purpose floor cleaner designed for bowling centers. Its formula was created to leave NO sticky residue so your bowlers' shoes stay clean both on and off the lanes.

- Mixes up fresh every time you mop for maximum power
- Cuts through dirt & grease with ease
- Easily lifts set-in grout stains
- Includes mild bleaching action
- Concentrated product reduces waste & pollution
- 45 pre-measured tablets to control cost
- One tablet makes 4 gallons

Part Number: 156-8565B

Buffing Pads

Buffing Pad (White)

This 21" buffing pad is made with absorbent synthetic blended yarn. Gently clean away dust from less textured approaches. Machine-washable.

Part Number: 159-4511

Buffing Pad (Green & White)

With green scrubbing stripes on both sides, this 21" buffing pad offers a little something extra. Perfect for more textured lane surfaces, this buffing pad allows you to gently loosen and remove dirt build-up from the pores of your approach. Machine-washable.

Part Number: 159-4510

Microfiber Approach and Utility Mops

Color-coded to separate your approach mops from other mops used in less sensitive areas of your center. These high performance microfiber mops grab dirt and dust for quick and easy cleaning. Approach Mop ideal for synthetic approaches. Utility Mop perfect for cleaning in the pit, bowlers area, and elsewhere throughout your center. Machine-washable.

KEGEL CENTER CARE PRODUCTS

Spot On Pin Deck Spray

Spot On Pin Deck Spray is the only product that can be used manually or inserted directly in your lane machine* for simple application with the push of a button!

Spot On creates a film to prevent pins from sliding which helps improve pin carry and eliminates off-spot pins and out-of-ranges. This ready-to-use spray comes in a 14 oz. bag-on valve can – no dilution necessary. Cleans easily and doesn't attract dirt to your pin deck!

* Designed for use with the 2016 FLEX Lane Machine
Part Number: 156-8310 - Case (4 - 14 oz. cans)

Balance Approach All-In-One

Balance is the all-in-one solution to maximize the performance of your synthetic approaches. With one product you can create an even and uniform surface for optimal slide conditions. Clean and condition your approaches in one simple application. Use with a rotary buffer.

Part Number: 156-8320 - Case (4 - 16 oz. bottles)
