2020 lineup

UFO™

Our obsession with helping players of all ages and styles conquer various lane conditions while abiding to forthcoming governing rules led to the development and creation of the asymmetrical E.T.™ Core (Equalizer Technology™ Core), which features built-in cavities to increase weight displacement after drilling without a balance hole to increase overall ball motion.

ENGINEERED FOR:

Medium/Heavy to Heavy Oil Conditions

NUCLEAR CELL™

Designed and developed for players who seek above-average versatility and performance from a pearlized ball on a variety of conditions, this ball features the iconic asymmetrical Nucleus™ Core wrapped with eTrax-P20™, our most-responsive pearl coverstock.

ENGINEERED FOR:

Medium to Medium/Heavy Oil Conditions

UFO™

MVP+ BACKPACK

SKU#: RG1204

The Roto Grip MVP+ Backpack was built for BOWLERS to be used by BOWLERS. The creation of this backpack started with the spacious Ventilated Shoe Compartment in mind. Most bowlers who carry their gear in a backpack use shoes with interchangeable soles and heels. WE'VE GOT YOU COVERED! The MVP+ Backpack has mesh pockets to hold your shoes in place as well as zipper pockets to hold soles and heels separately. Oh, and let's not forget the vents at the bottom to make sure your shoes can air out when you aren't wearing them. From there, the next focus was the Main Compartment. The idea here was to create a storage compartment that can comfortably hold a laptop as well as the Roto Grip MVP+ Accessory Case. Oh yeah, the extra space on top of that, yeah there is still enough room for a light jacket or shirt—and, for you ladies, there is room for your purse too. DON'T WORRY, THIS BACKPACK HAS YOU COVERED!

FEATURES:

- 600-denier Polyvinyl Fabric
- Ventilated Shoe Compartment Features:
 - Interior Mesh Pockets to Hold Shoes in Place
 - Two Interior Zipper Pockets for Soles & Heels
- Extra-Large Main Compartment Features:
 - Interior Zipper Pocket
 - Laptop Pouch
- Top Valuables Zipper Pocket
- Two Front Exterior Zipper Pockets
- Dual-Side Elastic Mesh Drink Pockets
- Padded Adjustable Shoulder Straps
- Easy-Carry Top Handle
- Embroidered Brand Logos
- 90-Day Limited Warranty
- Shoe Compartment Dimensions = W: 12" x D: 4" x H: 18"
- Main Compartment Dimensions = W: 14" x D: 7" x H: 20"
- Base Dimension When Sitting = W: 14" x D: 11"

**HIGH
PERFORMANCE**

2020 lineup

RUBICON™

A drastic departure from our traditional symmetrical core or symmetrical weight block designs in this line, the asymmetrical Rondure™ Core was developed to increase overall ball motion throughout the lane without the aid of an added balance hole. Paired with our most recent formulation of eTrax™ solid coverstock technology, this ball has solidified the position as the “Benchmark Ball” for the Roto Grip line.

ENGINEERED FOR:

Medium to Medium/Heavy Oil Conditions

WILD STREAK™

Because variety is the spice of life, our goal was to create an alternative ball motion in the HP3 line without giving up technology and integrity. By implementing new weight block technology, overall ball dynamics are not lost after drilling due to the extra coverstock material surrounding the high RG Mutated Rotary™ Weight Block.

ENGINEERED FOR:

Medium to Medium/Heavy Oil Conditions

IDOL™/IDOL™ PEARL

Armed with the low RG/high differential symmetrical Ikon™ Core, the IDOL™ and IDOL™ Pearl provide the perfect “one-two punch” for players looking to dominate across a variety of oil conditions.

ENGINEERED FOR:

IDOL – Medium to Heavy Oil Conditions

IDOL Pearl – Medium to Medium/Heavy Oil Conditions

MVP™ ATTITUDE

Featuring the same proven Neutron NXT™ Core as its predecessors, we took a step forward in hybrid coverstock technology with the VTC-H20™ by adjusting material ratios to ensure mid-lane performance without losing responsiveness to friction.

ENGINEERED FOR:

Medium to Medium/Heavy Oil Conditions

MVP™ PEARL

Constructed to excel on lighter oil or transitioned conditions where earlier friction is visible, the MVP™ Pearl is the ideal “go-to” ball that will easily glide through the front part of the lane without losing motion through the pins.

ENGINEERED FOR:

Light to Medium Oil Conditions

MVP+ ACCESSORY CASE

SKU#: RG1010

The Roto Grip MVP+ Accessory Case was built to meet serious bowlers' storage needs. The case features multiple zippered pockets and mesh pockets for storage as well as a foam insert to securely hold interchangeable thumbs and tools. What makes the Roto Grip MVP+ Accessory Case even more awesome is that it fits comfortably in the Main Compartment of the Roto Grip MVP+ Backpack. It's ok, you can thank us later.

FEATURES:

- 600-denier Polyvinyl Fabric
- Two Exterior Zipper Pockets
- Front Zipper Panel Interior Features:
 - Tool Pockets
 - Elastic Mesh Pockets
 - Enclosed Zipper Pockets
- Back Zipper Panel Interior Features:
 - Foam Insert to Hold Interchangeable Thumbs and Tools
 - Elastic Mesh Pockets
- Embroidered Brand Logos
- 90-Day Limited Warranty
- Overall Dimensions = W: 12" x D: 4" x H: 9"
