Masking Unit Collection

Kandinsky Lower *

A horizontal strip of an abstract painting by Wassily Kandinsky, featuring a mix of geometric shapes, lines, and organic forms in a muted color palette. The bottom of the strip shows a black bar with the QUBICA^{AMF} logo and frame numbers 13, 14, 15, and 16.

13 14 15 16

Kandinsky Lower and Upper *

A horizontal strip of an abstract painting by Wassily Kandinsky, featuring a mix of geometric shapes, lines, and organic forms in a muted color palette. The bottom of the strip shows a black bar with the QUBICA^{AMF} logo and frame numbers 13, 14, 15, and 16.

13 14 15 16

Haring Lower

A horizontal strip of a painting by Egon Schiele, featuring a colorful, abstract composition with organic shapes and a vibrant color palette. The bottom of the strip shows a black bar with the QUBICA^{AMF} logo and frame numbers 13, 14, 15, and 16.

13 14 15 16

Haring Lower and Upper

A horizontal strip of a painting by Egon Schiele, featuring a colorful, abstract composition with organic shapes and a vibrant color palette. The bottom of the strip shows a black bar with the QUBICA^{AMF} logo and frame numbers 13, 14, 15, and 16.

13 14 15 16

Mondrian Lower *

A horizontal strip of a painting by Piet Mondrian, featuring a grid of black lines on a white background with various colored rectangles. The bottom of the strip shows a black bar with the QUBICA^{AMF} logo and frame numbers 13, 14, 15, and 16.

13 14 15 16

Mondrian Lower and Upper *

A horizontal strip of a painting by Piet Mondrian, featuring a grid of black lines on a white background with various colored rectangles. The bottom of the strip shows a black bar with the QUBICA^{AMF} logo and frame numbers 13, 14, 15, and 16.

13 14 15 16

* Masking back-light system not recommended for this masking design.

Forest Lower

A horizontal strip of a forest scene, featuring tall, thin trees and a dense canopy. The bottom of the strip shows a black bar with the QUBICA^{AMF} logo and frame numbers 13, 14, 15, and 16.

13 14 15 16

Forest Lower and Upper

A horizontal strip of a forest scene, featuring tall, thin trees and a dense canopy. The bottom of the strip shows a black bar with the QUBICA^{AMF} logo and frame numbers 13, 14, 15, and 16.

13 14 15 16

Riverside

A horizontal strip of a forest scene, featuring tall, thin trees and a dense canopy. The bottom of the strip shows a black bar with the QUBICA^{AMF} logo and frame numbers 13, 14, 15, and 16.

13 14 15 16

Riverside and Upper

A horizontal strip of a forest scene, featuring tall, thin trees and a dense canopy. The bottom of the strip shows a black bar with the QUBICA^{AMF} logo and frame numbers 13, 14, 15, and 16.

13 14 15 16

Silkway Lower

A horizontal strip of a floral pattern, featuring large, stylized red flowers with yellow centers. The bottom of the strip shows a black bar with the QUBICA^{AMF} logo and frame numbers 13, 14, 15, and 16.

13 14 15 16

Exclusive Features	QubicaAMF Harmony	Other Solutions
MATCH YOUR VISION, STYLE AND CENTER NEEDS		
Three Coordinated Seating Styles - Choose from the Infinity, Synergy and Energy Collections which coordinate with the Harmony Ball Return and Masking Lines	●	○
Infinity Collection - Offers a variety of sofa shapes and sizes, or combine three modular building blocks to create endless combinations	●	○
Synergy Collection - A complete selection of upholstered seat benches, ranging from one to four seats, available in straight or curved configurations, with and without end and union tables	●	○
Energy Collection - A comprehensive set of hard seat benches, chairs and stools made on a solid metal structure with durable, easy to maintain laminate seats	●	○
Harmony Ball Return - State-of-the-art technology and electronics, compact, colorful, stylish and coordinates with the Harmony Furniture and Masking Lines	●	○
Opto-Electronic Sensing Technology - The motor runs only when the ball arrives and stops if hands or objects are inserted, improving energy efficiency and safety	●	○
Compact & Ergonomic Design - A smaller footprint minimizes congestion on the approach. The hood is designed to cover the ball exit, providing more protection for bowlers	●	○
Quick Access Hood - The hood is designed to be removed with minimal effort, making maintenance faster and easier	●	◇
Harmony Masking Collection - Unique designs to complement Harmony Furniture and Ball Return Lines	●	◇
MAD Lanes - Now available in a choice of colors to provide another tool to help you create the "wow" factor, differentiate from your competi-tion, and fit your center's theme and color palette	●	◇
Twelve Expert Color Concepts - Each color concept has been designed to create a harmonious effect between the furniture, masking graphi-cs, ball returns and interiors. Each delivering a different look, experience and emotion	●	○
Three Coordinated Seating Styles and Price Levels - Infinity, Synergy and Energy seating are priced at three different levels. Mix and match elements within your center and within your budget	●	○
Turnkey Front End Solution - All front end components—all furniture elements and styles, ball returns, masking units and lanes—have been desi-gned as a total solution that coordinate and function together	●	○
ACCOMMODATE YOUR DIVERSE CUSTOMERS’ NEEDS		
Modular and Reconfigurable - Rearrange modular furniture elements as needed to create different layouts with enlarged settee allowances span-ning groups of lanes. Ideal for parties, groups and events business	●	○
Sofa Lock/Unlock Mechanism and Wheels - Securely lock, easily unlock and quickly move the sofa elements as needed	●	○
Modular Coffee Table - Can easily be split into smaller personal tables or combined into different shapes	●	○
On-Lane Wedge Table - Uniquely fits in between the back of Infinity sofas or Synergy and Energy benches to store house balls or bowlers’ personal items	●	○
Arrow Table - Designed to fit between the back of Infinity sofas, together with the wedge table, or can serve as a personal table	●	○
Smart Integrated Storage - Personal items can be accommodated under the sofa or bench seating or under the coffee table, on-lane wedge table or concourse table with optional shelving	●	○
Comfort-Focused Design - Seating is made of a properly balanced soft material and designed with optimized backs and angles for ease of getting up to bowl	●	○
MAKE MAINTENANCE EASY AND COST EFFECTIVE		
Replaceable Upholstered Items - Upholstered items like seats and backs of Infinity and Synergy Collections are removable	●	◇
Synthetic Seat Material - The Energy Collection seats are made of a laminate material rather than plastic or wood	●	○
Cleanable, Stain-Resistant Surfaces - All Harmony surfaces are dirt- and stain-resistant	●	◇
Highest Grade Upholstery - Infinity and Synergy upholstered fabric choices are commercial grade	●	◇
Conformance to Fire and Structural Regulations - Built in compliance with ANSI BIFMA standards and with CAL-133* and EN1021-1/EN1021-2 flammability requirements	●	◇

● Exclusive
