

HAMMER BOWLING

2019 BALL CATALOG

BOWLING'S TOUGHEST BRAND

Hammer.

It's more than just a name. It's more than just a company. It's a lifestyle.

Our products are built just like the bowlers who use them: Tough, strong and packed with attitude.

Made in Hopkinsville, Kentucky, right in the heartland of the United States, Hammer products are used all over the world. From the Joes to the Pros, it really doesn't matter. The results are always the same.

Nothing Hits Like A Hammer!

HIGH PERFORMANCE

CARBON FIBER INFUSED
3 YEAR WARRANTY

The Sauce features the Aggression Solid CFI coverstock finished at 500/2000 Abralon. You can expect strong traction in the mid-lane with equally strong reaction on the backend.

With the Aggression Pearl CFI Coverstock and 3-step 3000 grit finish, this Rip'D will get through the front of the lane with ease, still read the mid lane and give a strong backend motion.

URETHANE

CARBON FIBER **INFUSED**
3 YEAR WARRANTY

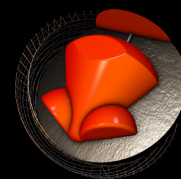

When Urethane is in play, Hammer is your only choice. Unlike modern covers that produce a violent reaction, urethane is the ultimate in control of the entire lane. Anything less than Hammer urethane and you're just bowling for second place.

Note: Purple and Black Urethane are not constructed with carbon fiber and are ineligible for Hammer's three-year warranty
