BOWLTECH®

RENTAL SHOES

VALUE LINE

This shoe offers a comfortable fit for an affordable price.

Sturdy white laces

> Securing the perfect fit

Laced shoes offer that little extra comfort for your bowlers, simply because the upper is wrapped around your foot better with laces. Laces offer a more adjustable fit.

Laces are easily replaced when necessary. Fresh white laces make your shoes look like new again.

BOWLTECH

Sizes EU 37- 52/UK 4- 18

The fastest way to get your bowlers on and off the lanes

High quality velcro

> Fastening in a second

Taking off your shoes is of course just as easy, an advantage when it comes to changing over lanes. Your new bowlers can start right away and will not lose valuable playing time.

Reinforced eyelets and high quality velcro ensure a long life span.

BOWLTECH

Sizes EU 22- 52/UK 5- 18

Classy and elegant > Shoes to show off

With the popularity of boutique centres, the demand for a classy rental shoe has grown. This has resulted in the development of an elegant rental shoe. Velcro fastening to assist with faster customer change over and available in 2 versions: Premium and Value. The latter is a real price fighter.

Both versions are fully double stitched and have a genuine leather slide sole.

TRENDY CHOICE

Your boutique style bowling centre is a great match with this classy rental shoe

This Value-version is a real price fighter

HAPPY BOWLING®

The premium version comes with an upper and insole made from premium leather and starts at size EU 28/UK 10.

EU 22- 50/UK 5- 16

BOWLTECH®

RENTAL SHOES

PREMIUM LINE

Your #1 choice when you strive to offer the best bowling experience.

All leather rental

> Reliable for many years

This quality laced rental shoe is the renowned bowling shoe. Back in the days mocked for it's 'funny' appearance now they are hailed as the best classic bowling shoe. A true original.

Goodyear Welt Construction: the premium leather upper, insole and slide sole are stitched together.

BOWLTECH

Sizes EU 28- 50/UK 10- 16

Happy Bowling shoes have a sturdy design with high quality velcro straps and reinforced eyelets

Sturdy construction

> Elegant design

Just like the value version this premium version is fully double stitched for an even longer life span. On top of that the upper and insole are made from premium cowhide leather.

This premium version of the Happy Bowling rental shoe is completed with a chrome slide sole from first class cowhide leather.

HAPPY BOWLING

Sizes EU 28- 50/UK 10- 16

Quality & convenience

> The perfect mix

The premium leather upper is fully double stitched and has a sturdy reinforced front for a long lasting comfortable fit. The use of high quality velcro ensures your customers can get on and off the lanes quickly which reduces queuing to a minimum.

The best bowling experience for bowlers also reduces queuing to a minimum when changing lanes.

SOLID CHOICE

When looking to offer a #1 bowling experience for your customers

The fastest way to get your bowlers on and off the lanes

BOWLTECH®

For added support a steel shank* is placed between heel and sole.

EU 28- 50/UK 10- 16

BOWLTECH®

CENTRE HYGIENE ESSENTIALS

You want your customers to really experience your attention for hygiene.

The extra fine spray ensures quick drying and has a pleasant fragrance.

Eliminates all odours > Hygienic experience

Bowltech Shoe spray is an easy to use premium quality freshener with a pleasant fragrance. Your customers will notice your attention to hygiene in your centre.

BOWLTECH

The vaporizer does not use propellant gas and is therefore very environmentally friendly.

Centre package > Including vaporizer

The Centre package comes in a box which includes a 5 litre can and a vaporizer. This sprayer does not use propellant gas and can be used time and time again.

BOWLTECH

The spray eliminates unpleasant odours and leaves a pleasant fragrance.

5 LTR including vaporizer

Refreshing your bowling shoes should be easy and practical.

Biotech Smell Remover > Gives customers control

For bowlers who want to be absolutely sure of fresh shoes you can offer the Smell Remover. A mini spray they can bring along every time they come bowling.

PROBOWL

This mini spray enables your bowlers to be in control of their own hygiene.

50 ML / 12 sprays a box

Customers personal use

Centre hygiene is key > now more than ever

Protective socks were initially developed for use in hospitals. Because these socks prevent against cross contamination they are now widely used by bowling centres all over Europe. It's the perfect solution for recreational bowlers who object to wearing rental shoes.

HEALTHY CHOICE

The perfect hygienic solution for a very affordable price

Caring about hygiene is not enough, you also want to show it with this displaybox

100 pairs in a box

BOWLTECH®

BOWLTECH®

HOUSE BALLS

BASIC SERIES

This Bowltech Junior house ball is lighter than the lightest house ball. The perfect choice for kids.

A light and handy house ball > Guaranteed to hit the pins

The perfect ball to keep your youngest customers bowling! The unique shade of green makes this ball easy to identify from your regular house balls. Because young bowlers have less strength in their fingers, this ball only comes in an undrilled version.

The Junior house ball is made from a durable and light weight urethane material.

SEE ALSO:
KIDS BOWLING

> Available weight: 5 lbs

If the durability of your house balls is very important to you then this is your house ball!

Renowned classic > With a new pearl finish

Bowltech house balls are made from a very durable and tough urethane construction. As a result we have had less than 0,1 % returns in the last 15 years. Recently we improved this renowned classic with a new pearl finish. Reliability, appearance and comfort, this house ball has it all!

NEW: Recently we improved this classic house ball with a new pearl finish

> Available weights 6- 16 lbs

Colour-coded weights
>For easy recognition

Bowltech house balls come with a standard drilling but are also available in an undrilled version. The balls are colour coded for easy recognition. On top of that the weight indication is also engraved in the ball making it wear-resistant for years to come.

Hand fatigue or blisters can be reasons to stop playing
Wide bevels prevent your bowlers from quitting

★ SOLID CHOICE

You want to prevent your bowlers from hand fatigue and blisters

You prefer to have a stylish and shiny house ball with a pearl finish

BOWLTECH®

These balls glow under black light giving an extra touch to the bowling experience.

BOWLTECH®

HOUSE BALLS

DESIGN SERIES

You want to add a unique element to your venue which enhances the look and feel of your bowling centre

Classic style icon

> Made from solid urethane

The Billiard house balls are a perfect fit for boutique-style bowling centres or VIP areas. The recognizable and iconic designed balls will certainly add style and flavour to every bowling centre which strives for that unique and recognizable retro image.

Billiard-style house balls are made from the same solid urethane construction as the Bowltech basic house ball.

BOWLTECH®

> Available weights 6- 15 lbs

This sporty and iconic design adds real style and flavour to your boutique-style bowling centre

A true sport icon

> Made from solid urethane

What do you get when recreational bowling and the most popular sport in the world collide? A very unique and attractive bowling ball! This soccer ball is an absolute eye catcher and will increase your bowlers enthusiasm on the lanes even more.

The double sided weight indication is engraved in the ball making it wear-resistant for years to come.

BOWLTECH®

> Available weights 5- 15 lbs

Solid urethane
> Tough construction

The soccer-style house balls are made from the same solid urethane construction as the Bowltech basic house ball. The double sided weight indication and colour coding ensures quick recognition. Your bowlers will spend less time looking and more time bowling.

House balls are the centrepieces of your centre
make sure you check their quality on a regular basis

★ SPORTY CHOICE

 A durable house ball is very important to your bowling centre

 This sporty house ball enhances the look & feel of your (sports) centre

BOWLTECH®

The ideal house ball for bowling centres with a sports bar: the soccer ball!

BOWLTECH®

KIDS BOWLING

GUIDANCE

The bowling ramp is made of metal and yet very lightweight due to the open construction.

Popular yet simple ramp

> A bowling proprietor's favorite

This black metal bowling ramp has been a sales hit for years. The ramp can be used for both children and disabled bowlers because of its neutral appearance and light weight. The "Point & Push system" requires no physical strength and is user-friendly.

This ramp is simply constructed with very strong metal joints.

BOWLTECH®

> Available in black

The bumpersystem is installed in just a few seconds on any lane of your choosing.

The Fun Bumpers are the lower cost alternative to integrated bumper systems

Successful for over 20 years

> Simple and effective

To prevent your youngest bowlers from countless gutter balls and getting discouraged a bumper system is almost indispensable. These Fun Bumpers are an affordable solution for centres that do not have an integrated bumper system.

BOWLTECH®

> Available in grey

Designed to hit pins

> Loved by kids

The Dragon ramps are designed with a wide base to create more stability. The height is calculated for an optimum ball speed when using the Junior house ball. The design also takes into account kids never have to lift the ball above their head when placing the ball on the ramp.

**Kids get discouraged easily and give up quickly:
Give young bowlers the assurance of hitting pins**

COACHING TOOLS

COLLECTION

With its light weight and compact size you have this coaching tool up and running in no time.

Board box

> Easy tool, fast calibration

This portable device tells you which board you hit when bowling. This is a great tool for centres who have a large number of league bowlers. The Board box is powered by a lithium battery which can be charged with the supplied adapter.

The Board box displays the board a bowling ball travels across instantly.

JAYHAWK 

Lithium battery / 230 V

The Arrow 3D Reference Tool gives bowlers a physical reference point to see while practicing their skills

Arrow 3D Reference Tool

> Multifunctional training tool

With the Arrow you can visualize bowling positions like the set-up position, pushaway, finish position and more! This light weight tool can replace many bowling-aids and is easy to carry and set-up. Dozens of shape combinations are possible!

The Arrow coaching tool helps you to define several bowling-positions, like for instance the Set-up position

 **KEGEL**

uses no electricity, just creativity!

The perfect path > Drawn with light

The Torch X was designed to explain the aiming process. Using LED lights the Torch X reflects a path of light on the lane, helping you to select the right launch angle and hit your target time after time. As you move left to right, Torch X will change its position, showing the correct position at all times.

COACH'S CHOICE

You want to have an useful yet affordable coaching tool.

You want to connect your league bowlers more to your centre

230 V / 12 V battery

*If you want to attract league bowlers to your centre
 Torch X is an effective and affordable tool*

Torch X is powered by 230V or an optional 12V rechargeable battery pack which lasts 5-6 hours when fully charged
